a) All tax rates are expressed in terms of cents per \$100 of the taxable value of properties subject to taxation.

b) The Kentucky Constitution describes property tax as a tax on wealth rather than a tax on the individual. Section 172 of the Kentucky Constitution requires all property to be assessed at Fair Cash Value (estimated at the price it would bring at a fair voluntary sale) on the assessment date (January 1st) unless specifically exempted.

c) Homeowners aged 65 and older receive an exemption on the first \$49,100 of their home's assessed value.
